

# GUARDIAN ANGEL AMBULANCE SERVICES

**SERVING VERONA AND SURROUNDING COMMUNITIES**

It is that time of year that we at Guardian Angel Ambulance Services ask you for your support by renewing your subscription, or by becoming a first-time subscriber to our service.

Everyone experiences emergencies from time to time – they are simply a part of life. Unfortunately they are also costly. For instance, a typical emergency ambulance transport can often exceed \$500 and most insurance providers, including Medicare, will not cover the full amount of an ambulance bill.

Your subscription covers all medically necessary **emergency** ambulance services, including all insurance provider co-payments and deductibles.

Not only does subscribing eliminate the cost of expensive emergency ambulance service, it helps Guardian Angel Ambulance Services provide outstanding emergency medical care to you and your family. These funds provide valuable operating funds to ensure the continued high level of emergency medical care by helping to hire qualified medical professionals and to purchase and maintain the state-of-the-art medical equipment.

The Management and Crew Members of Guardian Angel Ambulance Services would like to thank you for all your valued support over the past fifteen years.
